

## 3-2-1 Quit Smoking Now!

3-2-1 Quit Smoking Now! is an interactive and very easy to use app that gives you important tools to help you quit smoking.

Unlike many other quit smoking apps, 3-2-1 Quit Smoking Now! is based on proven scientific methods.

Developed by medical scientists and based on the best and most recent scientific evidence from the National Cancer Institute, the American Cancer Society, and other scientific studies, this app gives you lots of resources to help you finally stop smoking.

3-2-1 Quit Smoking Now! lets you:

- \* Determine how addicted to smoking you really are using scientific methods
- \* Find out which medications may be best for you and how to get them
- \* Learn the immediate and long-term health benefits of quitting
- \* Calculate how much money you could save by quitting
- \* Find out how likely you are to start smoking again after quitting

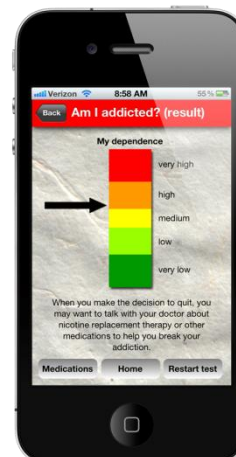

3-2-1 Quit Smoking Now! is available for sale (as introduction free for a period of time) now at the iTunes Store and you can read more about it at my website. A video of 3-2-1 Quit Smoking Now! in action is also available. All the links are below.

Please feel free to contact me if you have any questions about the app, or if you'd like a promo code for review.
